

# YOU HAVE THE RIGHT TO RECEIVE A “GOOD FAITH ESTIMATE” EXPLAINING HOW MUCH YOUR MEDICAL CARE WILL COST.

**Healthcare providers must give patients who don't have insurance, or who are not using insurance, an estimate of the bill for medical items and services.**

- You have the right to receive a Good Faith Estimate for the total expected costs of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.
- You have the right to receive a Good Faith Estimate in writing at least one business day before your medical service or item. You can also ask your healthcare provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.
